The amendments within this document are to take action with immediate effect and should be implemented within school from 12.10.20.

The following adjustments have been made:

- Staff will be required to wear face coverings when they are not in their individual class bubble and they are moving around school site. Within all communal areas, face coverings must be worn, unless government recommended exemptions apply.
- Visitors to site are not permitted on site unless on statutory business or by prior arrangement of the Headteacher or Deputy Headteacher.
