

The guidance issued to schools for September 2020 reopening says...

“For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared.”

So...

In September every child will need a pencil case. The pencil case will stay at school. If your child is in Year 1 to 6 they will need to bring things in their pencil case. It is really important that everything in the pencil case is clearly named. In your pencil case you will need:

- Pencils for drawing and writing,
- Coloured pencils for colouring in,
- A rubber,
- A pencil sharpener,
- A ruler,

We will provide chunky pencils and pens for children in Reception but they still need to bring a pencil case to keep them in.

For children in Key Stage 2—we will provide handwriting pens and any additional Mathematical equipment.

Thank you.
